

IMPORTANT NOTE

ABOUT COVID RESTRICTIONS AT COLLEGE CHURCH !!

May 15, 2021

As you have heard by now, the CDC and several other health organizations have reduced their restrictions about mask-wearing and social distancing among THOSE WHO HAVE COMPLETED their vaccination schedule at least 10 days ago.

AT CUMC, for the near future, WE'RE TAKING DOWN THE RED RIBBONS !!

If you have been fully vaccinated for at least 10 days, and are symptomless, please feel free to assemble at the church with no mask, and also you may refrain from social distancing with others who are maskless, *EXCEPT*:

If you have NOT been vaccinated, or *simply wish to maintain social distancing for the time being*, just WEAR A MASK to tell us so, and we will cheerfully and courteously accommodate your wishes by giving you a wide berth front to back as well as side-to-side. This will be done on the honor system, and a cheerful reminder may be gently levied upon those who "forget" to give you your space. Do not worry, we are reminding them, and not judging you ! (Masks may still be dropped during the Sermon).

Everyone should be allowed into church who wishes to come, as long as they or a close family member have no active symptoms. We trust that God (and the Bishop, and also our congregation, in that order) will approve our modified policy.
